

## Karlskrona City Port

Our main port is situated right in the city center, on the island of Trossö, with shopping, cafées, attractions and soft activities at easy walking distance (approx. 300 m).

### MAXIMUM SHIP DIMENSIONS

Length: 150 m, draft 7,4 m.  
Beam: No limits

### PILOT

Compulsory

## Karlskrona Tender Port

Those arriving by tender boats will enter the city in a Royal manner, docking at the Kings Bridge, where all Royal members used to arrive Karlskrona – and still do.

The tender distance is approx. 10 minutes and the landing a fixed pier with stairs. The much appreciated welcoming committee will off course greet our guests even in the tender port, as well as the mini-train and all other services and amenities.
