Probably the best Tender Port in the Baltic...

CRUISE KARLSKRONA.

Karlskrona Tender port = easy access

Karlskrona City Port

CRUISE KARLSKRONA.

Key points along the two outskirting fortifications of Svanen-
bulten Fort and Dycker (right) Citadel guarding each side of
the entrance to the city.

Inside the guarded fences of Sweden's main naval base lies
the Old Naval Ship Yard, celebrating 300 years of naval history.

Main Square
City center

So Swedish!

The island of Brändöholm is often marketed as an
image of Sweden: small, red cottages with white
window panes and Swedish flags waving in the
wind. A different perspective!

A royal entrance

Those arriving by tender boats will enter the
city in a royal manner, docking at the Kings
Bridge, where all royal members used to arrive
Karlskrona – and still do.

Naval Museum and Submarine Hall

The Naval Museum and the sensational Submarine Hall is our
most visited attraction and a must-see for both groups and individuals.

Hop-on Hop off boats

Only a few steps away from your ship, independent
can buy tickets and join one of many tours of our
beautiful archipelago?

Karlskrona City Port

Our main port is situated right in the city center. It is 5 minutes walk to the
Naval Museum and 10 minutes to the Crown Square – or why not let your
group enjoy our complimentary mini-bus service, taking them to
the city center!

WORLD CLASS

The city center of Karlskrona is located on the main island of Trossö, 6 km out in the archipelago – much like Venice. But opposed to the Med, and despite being one of Sweden's sunniest cities, Karlskrona's climate is refreshingly mild and gentle.
